

GAA News No 4

Gauteng Aerobatic Association League Three

Good day Ladies and Gentlemen here follows the GAA news in English.

The weekend of the 22nd of July 2007 saw the start of the fifth GAA competition for the year 2007, this was league three held at Irene Radio Flyers.

Due to the pilots briefing being held at 07H30 a number of Pilots arrived at the gates of I.R.F before sunrise, talk about being up before sparrows, all this just to try and have flight before the official start of day. Henry started the briefing on time allowing the first pilot to start flying directly after. A total of 23 pilots attended the competition most hoping to add an another round of qualifying scores toward a Masters invitation. It was only possible to fly two competitive rounds during the day, as only one flight line could be used (the Sun keeps getting in the way).

Quite a number of new pilots entered this Competition, a warm welcome is extended to all of you and we wish you all the best for the future.

The Judges doing duty for the day were Ivan Olivier, Chris Theron and Ian Edwards, these gentlemen must be commended for a job well done.

The GAA would like to express their thanks to Irene Radio Flyers for the use of their superb flying facilities and to Frik de Beer and his team who ensured that the field is set-up and ready for the day. Our thanks are also extended to those that helped and the pilots who attended

As most of you know Henry and I have resigned from the GAA, although we will continue to the end of our elected term. Volunteers are requested to please come forward to be the office bearers for the year ahead. We are currently looking for three volunteers to assist us in the organization of this years Gauteng Championships.

*The next competition will be a monthly held at White Hills Radio Flyers on the 19th August 2007.
The last GAA Competition will be the Gauteng Champs to be held at Barnstormers on the 8th & 9th of September 2007*

When looking at the scores you will notice that the positions are given according to the normalized score and that the person with the highest percentage score is not necessarily the one with the better position. When two pilots receive an identical normalized score the pilot position is determined using the best score achieved in the throw away round.

The percentage score is given only to determine the qualifying score for the Masters.

The Final Scores for GAA League Three

Sportsman							
	Round 1		Round 2		Best One of Two (Percentage)	Best One of Two (Normalized)	Pilot Position
Danie Steyn	59.17%	1000	65.42%	1000	65.42%	1000	1
FC Hamman	58.47%	988	60.83%	930	60.83%	988	2
Danie Bester	57.22%	967	56.39%	862	57.22%	967	3
PJ Norden	21.39%	362	57.22%	875	57.22%	875	4
Nick Vauquelin	48.33%	817	56.25%	860	56.25%	860	5
Juan Pretorius	43.75%	739	56.11%	858	56.11%	858	6
John Clements	49.44%	836	55.00%	841	55.00%	841	7
Tiaan Scholtz	48.19%	815	35.42%	541	48.19%	815	8
Grant Brook	40.42%	683	49.44%	756	49.44%	756	9
Roland Hill	39.03%	660	32.36%	495	39.03%	660	10

Advanced							
	Round 1		Round 2		Best One of Two (Percentage)	Best One of Two (Normalized)	Pilot Position
Timothy Hammon	64.63%	959	73.15%	1000	73.15%	1000	1
James Hill	67.41%	1000	67.59%	924	67.59%	1000	2
Jonathan Vosloo	65.28%	968	64.54%	882	65.28%	968	3

Expert							
	Round 1		Round 2		Best One of Two (Percentage)	Best One of Two (Normalized)	Pilot Position
