* Standing after 2 rounds with both rounds counted.

All 2008/2009 team selection events will consist of four rounds (P-09, F-09, P09, F-09) with the best three normalised scores to count.

Two of the three mentioned team selection events will count towards the final team selection for participating pilots.

In order to be eligible for team selection a pilot must have competed in at least two team selection events.

Pilots must have qualified for an invite to the 2008 Masters to remain part of the team selection process even though for some valid reason they are not able to participate in the event.
