MHSA 3D Competition/Fun Day

Venue: PRETORIA RADIO FLYERS (PRF)

Date: 9th of May 2009

Pretoria Radio flyers in conjunction with Model Helicopters of South Africa (MHSA) are hosting a 3D Helicopter competition / fun day. This is an open event, for all SAMAA helicopter pilots. Bring your family and friends and let's have fun.

The South African 3D Competition will follow the 3DX format to standardise its evaluation and ranking of 3D pilots. The competition will be divided into 2 classes, "3D Basic" and "3D Advanced" (See "The 2009 3D Competition Format" for Manoeuvres or contact Cilliers van Niekerk for a full description on manoeuvres and judges notes on scoring these manoeuvres)

For the Basic class entrants will be asked to fly 5 Set Manoeuvres from the Basic list of 7, and will also have to fly a 3 minute Freestyle sequence (all Basic manoeuvres = k1).

Advanced entrants will be asked to fly 5 Set Manoeuvres from the 3DX list of 40, and will also have to fly a 3 minute Freestyle sequence. (See "The 2009 3D Competition Format" for Manoeuvres or contact Cilliers van Niekerk for a full description on manoeuvres and judges notes on scoring these manoeuvres)

Deadline for entries is 4 April 2009.

The entry form for this competition is available for download on the following websites:-
