

## Accommodation

The standard way to Noodsberg is on the Pietermaritzburg N3 bypass, take the Church street / Greytown road turnoff (left from up country) (right over the bridge from the coast) up the hill through a robot or two and turn right on the signposted R33 road to Greytown. Watch out for the glide off right to Wartburg and head straight through Wartburg and stay on the R614 main road till you hit a T junction. The Noodsberg entrance is right in front. Enter the main entrance, cross two railway lines and right into a little tar road which takes one right round to the Noodsberg Country Club at the back. Noodsberg Country Club is actually at the T Junction between Dalton and Fawnleas – at spot 31 on the Wartburg town map below.
