## APPLICATION TO REGISTER AN APPROVED FLYING AREA

**1. Purpose**

This procedure is to ensure that the applications for the approval of an area as an area for of the operation and flying of model aircraft, is done in a controlled way with all the required information being supplied

**2. Applicable Documents**

This procedure is to support the requirements of the C.A.A.

**3. Policy**

The SAMAA requires that the operation of all model aircraft conform to the regulations as defined in this document

**4. Definition**

<b>Approved Area</b>	An area approved by C.A.A.
<b>CAR</b>	Civil Aviation Regulations
<b>Club</b>	A group of members who have formed a club
<b>SAMAA</b>	The South African Model Aircraft Association (The organisation approved by C.A.A. to administer a designated aviation activity.)

**Management Committee** The main committee of SAMAA

**5. Processes**

- (a) The Club that wishes to apply to C.A.A. for approval of an area to be recognised as an approved area for operation of model aircraft, shall complete the relevant SAMAA Form PR 05.
- (b) The completed form together with a copy of the Clubs Constitution, office bearers, membership list, flying site co-ordinates and layouts, safety rules, maps and other supporting information requested on

the application form, shall be sent to SAMAA General Manager for processing.

- (c) The SAMAA General Manager shall check the application and ensure that all details and information have been provided.
- (d) The Application shall be tabled or the next meeting and SAMAA Management Committee shall decide whether to support the application or not.
- (e) If the application is supported, the completed form and supporting information noting the SAMAA Management Committees recommendation, shall be forwarded to the appropriate C.A.A. office for acceptance.
- (f) If the application is not supported by the SAMAA Management Committee, the General Manager shall inform the Club stating the reasons of the non support and detailing the further actions required for the application to be accepted.
- (g) Upon receiving C.A.A.'s reply to the application, the SAMAA General Manager shall inform the applicant club.
- (h) The SAMAA General Manager shall enter the details of the approved area into a database of registered and approved flying areas.

**6. Responsibility**

- (a) The applicant Club is responsible to provide the information required and ensure its accuracy.
- (b) The applicant Club is responsible to ensure that all documentation required is sent to the SAMAA Management Committee
- (c) The SAMAA Management Committee is responsible to check the application and if supported pass the application onto the relevant C.A.A. office for confirmation.
- (d) The SAMAA Management Committee is responsible to advise the applicant Club of the field decision.

- (e) The SAMAA General Manager is responsible to maintain a database of Approved Model Aircraft Flying Areas of Clubs that are registered with SAMAA.
- (f) The Club is responsible to ensure that all model aircraft operations which take place on its flying field conform to the conditions of the approval and to the SAMAA operations and procedures handbook.

**7. Approval**

- (a) A subcommittee of 3 SAMAA management committee members, the General Manager the club representative, and the Insurance representative shall meet to discuss the application.
- (b) An independent inspector shall be appointed to visit the site and report back.
- (c) The subcommittee will reconvene after receiving the inspectors report and a decision will be taken.
