MEMORANDUM #1

To: All SAMAA Members
From: SMC
Date: 29 January 2021
Re: SAMAA office relocation

The SAMAA received notice to vacate its office before the end of January 2021, thereby ending a long-standing arrangement between Denel and SAMAA. We are grateful for their contribution to our association; we were truly blessed.

The SMC considered all current options and has decided not act in haste and to allow normal work activities to continue from home. The Covid-19 lockdown proved the viability of this, and it does not see any major disruption taking place. Our office staff will continue their daily tasks from their respective homes, starting 10 February. Daily reports will be provided to SMC to ensure compliance.

The Telkom landline has subsequently been cancelled. Please make use of the following contact details.

- General Manager – Bob Skinner – 083 283 1681
- Assistant GM/Administrator - Linda Dold – 083 612 7047

For the convenience of those members who wish to use the “walk-in service”, you may choose to visit either Linda or Bob, but please respect the current covid-19 regulations. Telephone before you visit to make arrangements and obtain the address. Wear your mask, sanitise, and maintain social distance. You may pay at either of the two offices, but the card/printing facility will only be available from Linda.

The SAMAA’s daily tasks will remain the same and we will keep the disruption to a minimum, discussing and overcoming challenges daily.

The arrangements made are temporary and this interim measure will provide the required time to explore all available options. This also presents the opportunity to review our long term plan for the need to realise a permanent solution.

We will keep you informed and communicate the solution in due course.
